352-213-8217 | [winstonedwardcard@gmail.com](mailto:winstonedwardcard@gmail.com) | [winstoncard.com](http://winstoncard.com) | [LinkedIn](#)

**Technical stack:** Python, JavaScript/Node.js, ABAP, Swift, SQL, R | SAP S/4HANA, Azure, AWS, Salesforce, Power BI

### WORK EXPERIENCE

#### **Head of IT at Kingspan Americas**

Sep 2025 - Present

*\$1.2B global building materials manufacturer across 50+ sites in 8 countries*

- Lead 66 IT professionals across Infrastructure, Cloud, Cybersecurity, Service Delivery, and Enterprise Applications, owning **\$16M+ annual budget** supporting 4,000+ end users.
- Direct enterprise IT strategy, governance, and operating model (ITIL/COBIT, ITGC, ALM/SDLC) ensuring 24x7 availability across **50+ sites in 8 countries**.
- Drive enterprise cloud strategy (**Azure**) and M&A technology integration, delivering SLA performance, resiliency, and efficiency at scale.

#### **Director, Systems & Applications / IT Operations at Kingspan Americas**

Aug 2024 - Sep 2025

*Enterprise SAP and manufacturing systems leadership across three business units*

- Led ERP strategy and digital transformation across 8 businesses, aligning technology roadmaps with business objectives.
- Defined divisional ERP strategy through needs assessments, evaluating build-vs-optimize decisions across **SAP S/4HANA (SD, PP, MM, FICO, MES)**.
- Drove business process optimization in production, procurement, and sales workflows, improving margins, throughput, and financial reporting accuracy.

#### **Director, Business Information Systems at Kingspan North America**

Apr 2019 - Aug 2024

*Enterprise SAP and manufacturing systems transformations across multi-site environments*

- Business-side program lead for ECC6 → S/4HANA migration and two greenfield **SAP MII implementations**, directing 40+ cross-functional resources across multiyear initiatives.
- Owned delivery governance, integrator performance, scope, and execution for enterprise ERP programs managing **\$10M+ budgets**.
- Defined and executed a 5-year enterprise systems transformation roadmap spanning SAP modules, manufacturing systems, and third-party integrations.

#### **Divisional Financial Controller at Kingspan North America**

Nov 2017 - Apr 2019

- Led 14 direct reports across AP, Inventory Control, Plant Control, and Financial Accounting for 1,000+ employee division. Managed financial statements for five US/Canada facilities under GAAP/IFRS.

#### **Plant Controller at Kingspan North America**

May 2015 - Nov 2017

- Oversaw financial statements for three East Coast manufacturing facilities. Led teams through KPMG audit cycles and monthly reviews with CFO and President.
